East 52nd Street, New York, NY 10055. I am duly authorized to make this Declaration on behalf of McKinsey RTS US in support of the application (the “Application”) of the Debtors in the above-captioned cases for entry of an order authorizing the employment and retention of McKinsey RTS US as restructuring advisor for the Debtors, *nunc pro tunc* to the Petition Date under the terms and conditions set forth in the Engagement Letter, attached as **Exhibit 1** to **Exhibit A** of the Application. I submit this Declaration in accordance with section 327(a) of title 11 of the United States Code (the “Bankruptcy Code”), Rules 2014(a), 2016 and 5002 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rules 2014-1 and 2016-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

2. Except as otherwise noted, the statements set forth herein are based on my employment position and diligence undertaken by me or by professionals working under my direction and, if called and sworn as a witness, I would testify competently thereto.

Qualifications of McKinsey RTS

3. McKinsey RTS, as used in this Declaration, includes (a) the directors, officers and employees of McKinsey RTS US and (b) certain consultants borrowed from affiliates of McKinsey RTS US for the purpose of serving the Debtors in these chapter 11 cases. McKinsey RTS is highly qualified to serve as the Debtors’ restructuring advisor in these chapter 11 cases.

4. Members of McKinsey RTS are employed by McKinsey Recovery & Transformation Services U.S., LLC and McKinsey & Company, Inc. United States.

² All capitalized terms used but not defined herein shall have the meanings set forth in the Application or the Engagement Letter, as appropriate.

5. McKinsey Recovery & Transformation Services U.S., LLC is a direct wholly-owned subsidiary of McKinsey & Company, Inc. United States which, in turn, is a direct wholly-owned subsidiary of McKinsey Holdings, Inc. which, in turn, is a direct wholly-owned subsidiary of McKinsey & Company, Inc.

6. The Debtors seek to retain McKinsey RTS US as their restructuring advisor in connection with these chapter 11 cases based on the qualifications, skill, and expertise of (a) the directors, officers and employees of McKinsey RTS US and (b) certain consultants borrowed from affiliates of McKinsey RTS US for the purpose of serving the Debtors in these chapter 11 cases (together, “McKinsey RTS”). McKinsey RTS US is a global, full service turnaround advisory and crisis management firm that draws on unmatched industry and functional expertise to support companies through all aspects of recovery and transformation. Its members have extensive experience in improving the operational performance of financially troubled companies. McKinsey RTS is deeply experienced in providing chapter 11 advisory services, which include contingency planning, interim management, cash flow and liquidity assessment, forecasting and management, analysis and/or development of business and strategic plans, development and implementation of creditor and/or supplier strategies, and development and implementation of operational and/or financial improvement or turnaround plans. McKinsey RTS has been or is currently involved in numerous large and complex restructurings.

7. In addition, McKinsey RTS utilizes the expertise of its Electric Power and Natural Gas (“EPNG”) practice, which serves integrated electric utilities, independent power producers (“IPPs”), renewable players, new entrants and transmission, distribution, and natural gas players. The practice has done 1,955 projects in the sector over the last five years. Over this time, the practice has served 60% of the 40 largest players and utilities in the sector globally,

distributed across all geographies. The EPNG practice helps clients shape leading growth strategies at a time of disruption in the industry, transform operational performance, achieve step-change in efficiency and build an agile organization and culture for the future. The EPNG practice also has proprietary power market analysis tools, providing rigorous strategic insights into forward looking market demand by segment, region, market structure, and expected shifts in operating margins across the value chain. The EPNG practice has helped clients drive significant cash improvement by driving best-practices in supply chain (contractor productivity, asset/MRO procurement), power plant improvements, lean corporate center, optimizing back-office G&A, and drive capital excellence and productivity across the enterprise.

8. The EPNG practice includes general consultants, dedicated practice consultants, and experts with relevant industry experience and academic backgrounds. The practice is backed by dedicated research and information experts who provide insight into industry structure and dynamics, and ensure that teams have access to the latest approaches and analyses on financial, market, operational, organizational, and strategic matters for the consulting teams. The combination of McKinsey RTS's and the EPNG practice's experience offers an extensive knowledge and expert base which will benefit the Debtors in these chapter 11 cases.

9. Given McKinsey RTS's substantial experience, prior to the filing of these chapter 11 cases, Kirkland & Ellis LLP, in its capacity as counsel to the Debtors, retained McKinsey RTS US to serve as the Debtors' advisor pursuant to an agreement dated October 24, 2016 (the "Original Agreement"), and an agreement between McKinsey RTS US and Debtor GenOn Energy, Inc., dated April 10, 2017 (the "April Agreement"), as amended on April 24, 2017 (the "First Amended Agreement") and May 22, 2017 (the "Second Amended Agreement," and together with the Original Agreement, April Agreement and First Amended Agreement, the

“Prepetition Agreement”), which engagement was principally for the purpose of providing services related to preparing a contingency plan with the Debtors that could be used in the event the Debtors and potentially certain of their direct and indirect subsidiaries determined to file for chapter 11 bankruptcy protection. The scope of the services provided under the Prepetition Agreement also included clean cost sheeting, analyzing the Debtors’ organizational structure as a standalone entity, and supporting the Debtors with preparing their chapter 11 bankruptcy petitions and related first day pleadings, as well as evaluating cost out improvement potential across SG&A, commercial operations, and line management above the plant level.

10. As a result of the prepetition work performed on behalf of the Debtors by McKinsey RTS US and affiliates, McKinsey RTS is familiar with the Debtors and their businesses, including the Debtors’ financial affairs, debt structure, operations, employee groups, cost structures, and related matters. Since McKinsey RTS US’s initial engagement, McKinsey RTS personnel have worked closely with the Debtors’ management and other professionals on numerous tasks related to shared services, cost reduction opportunities, and preparation for the filing of these chapter 11 cases. In addition, McKinsey RTS US supported management in contingency planning related to the filing and implementation of these chapter 11 cases. Moreover, as a result of the services provided under the Prepetition Agreement, McKinsey RTS US has substantial knowledge of the Debtors’ and non-Debtor subsidiaries’ operating assets. Consequently, the Debtors believe that McKinsey RTS has developed significant relevant experience and expertise regarding the Debtors and the circumstances of these chapter 11 cases and has the skills, qualifications, and expertise necessary to assist the Debtors with their restructuring efforts in an efficient and cost-effective manner.

Terms and Scope of Engagement

11. The parties have entered into the Engagement Letter, the terms of which will govern the Debtors' retention of McKinsey RTS US during these chapter 11 cases, except as explicitly set forth in any order granting the Application. As contemplated by Section 10 of the Engagement Letter, McKinsey RTS US requests approval of the Engagement Letter *nunc pro tunc* to the Petition Date. The Engagement Letter was negotiated between the Debtors and McKinsey RTS US at arm's length and in good faith, and reflects the parties' mutual agreement as to the substantial efforts that will be required during the course of this engagement.

12. McKinsey RTS will perform a broad range of services during these chapter 11 cases, including, without limitation, the following:³

- a. develop, monitor, and reforecast a short-term cash flow forecasting process and implement a cash management strategy;
- b. provide strategic advice and develop relevant analyses to support the overall restructuring process;
- c. in cooperation with the Debtors' officers, legal counsel, investment bankers and other engaged professionals and counsel, develop and prepare a chapter 11 plan of reorganization;
- d. assist the Debtors in managing the chapter 11 bankruptcy process, including managing outside stakeholders and their professionals and assisting the Debtors in developing financial reports and other materials that are required to be filed with the bankruptcy court;
- e. assist in development of supporting diligence materials and presentations for use in various stakeholder meetings, attend diligence sessions and working meetings with various stakeholders and constituents and provide ad hoc support to the management team;
- f. assist with the evaluation of certain near term operational cost reduction and value enhancement opportunities (e.g., SG&A, fixed costs, and procurement);

³ Any references to, or descriptions of, the Engagement Letter herein are qualified by the express terms of the Engagement Letter, which shall govern if there is any conflict between the Engagement Letter and the descriptions provided herein.

- g. provide testimony and other litigation support as requested by the Debtors in connection with matters upon which McKinsey RTS US is providing services; and
- h. assist with all such other restructuring matters as may be requested by the Debtors and/or their boards of directors that fall within McKinsey RTS US's expertise and that are mutually agreed upon between the Parties.

13. The services provided by McKinsey RTS are necessary to enable the Debtors to maximize the value of their estates. Specifically, McKinsey RTS is instrumental in helping the Debtors develop and execute strategies related to contingency planning involving the chapter 11 cases.

14. McKinsey RTS's services will complement, and not duplicate, the services rendered by any other professionals retained in these chapter 11 cases. The Debtors and McKinsey RTS will use reasonable efforts to ensure that there is no duplication of services that McKinsey RTS is being retained to perform. To the extent that the Debtors request services other than those detailed in the Engagement Letter, the Debtors will seek further approval from the Court for a supplement to the retention and any related modifications to the Engagement Letter and such application shall set forth, in addition to the additional services to be performed, the additional fees sought to be paid.

Fee and Expense Structure

15. Subject to Court approval, the Debtors will compensate McKinsey RTS in accordance with the terms and conditions of the Engagement Letter, which provides a compensation structure (the "Fee and Expense Structure") as outlined below.

16. Hourly Rates: McKinsey RTS's fees are to be based on the hours worked by McKinsey RTS personnel at the following hourly billing rates:

<u>Title of Professional</u>	<u>Hourly Rate</u>
Practice Leader:	\$980-\$1,100

Senior Vice President:	\$720-\$900
Vice President:	\$620-\$720
Senior Associate:	\$515-\$590
Associate:	\$410-\$490
Analyst:	\$260-\$360
Paraprofessional:	\$230-\$260

Such rates and ranges will be subject to adjustment annually at such time as McKinsey RTS US adjusts its rates generally.

17. At this time, it is not possible to estimate the number of professional hours that will be required to perform the services contemplated by the Engagement Letter. Accordingly, it is not possible to estimate the total compensation to be paid to McKinsey RTS under the Engagement Letter.

18. Expenses: The Debtors will reimburse McKinsey RTS for all reasonable and necessary out-of-pocket expenses incurred in connection with the engagement, such as, but not limited to, travel, consultants, case administrators, lodging, postage, and communications charges following McKinsey RTS's standard expense reporting. As McKinsey RTS clients frequently request that McKinsey RTS restructuring advisors travel to their offices and work there for extended periods of time, McKinsey RTS developed its own official reimbursement policy with respect to its turnaround advisors' documentation of expenses (the "RTS Reimbursement Policy"). More specifically, McKinsey RTS professionals serving the Debtors will seek reimbursement for expenses over thirty-five dollars (\$35.00) that (a) have been charged on a McKinsey RTS-provided corporate credit card or have a receipt and (b) have a receipt for lodging. For amounts under thirty-five dollars (\$35.00) McKinsey RTS will seek reimbursement when exact amounts are submitted in lieu of a receipt. McKinsey RTS intends to maintain

detailed documentation of its professionals' actual and necessary costs and expenses in accordance with the RTS Reimbursement Policy.

19. Consistent with the scope of services to be provided by McKinsey RTS under the Engagement Letter, the Debtors and McKinsey RTS negotiated and agreed upon the Fee and Expense Structure described above. In addition, McKinsey RTS believes that the foregoing Fee and Expense Structure is reasonable and market-based and consistent with McKinsey RTS's normal and customary billing levels for comparably sized and complex cases, both in and out-of-court, involving the services to be provided to the Debtors by McKinsey RTS. To the best of my knowledge, the compensation arrangement reflected herein is consistent with, and typical of, arrangements entered into by other turnaround advisory firms rendering similar services for clients such as the Debtors.

20. Pursuant to the Engagement Letter, McKinsey RTS received a total of \$1.5 million as retainers (the "Retainers") in connection with its prepetition work. McKinsey RTS has not drawn any amounts under the Retainers for services rendered and expenses incurred prior to the Petition Date. A balance of \$1.5 million remains on the Retainers.

21. In the 90 days leading up to the Petition Date, McKinsey RTS received payments totaling \$6,012,000.00 (including the Retainers) in the aggregate for services rendered and expenses incurred on behalf of the Debtors. McKinsey RTS received no other payments from the Debtors during the 90 days immediately preceding the Petition Date. As of the Petition Date, there are no outstanding prepetition amounts owed by the Debtors to McKinsey RTS.

22. As of the Petition Date, McKinsey RTS holds a credit balance of \$1.5 million (the aggregate amount of the Retainers), which McKinsey RTS intends to retain

until the end of these chapter 11 cases and apply to its final application for payment in these proceedings.

Record Keeping

23. McKinsey RTS intends to apply to this Court for allowance of compensation for professional services rendered and reimbursement of expenses incurred and submit monthly fee statements with reasonable detail in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any other applicable procedures and orders of the Court.

24. Such applications will include time records setting forth, in reasonable detail, a description of the services rendered by each professional and the amount of time spent on each date by each such individual in rendering services on behalf of the Debtors. McKinsey RTS will maintain and file contemporaneous time records in one-tenth hour (.1) increments. McKinsey RTS also will maintain detailed records of any actual and necessary costs and expenses incurred in connection with the services as discussed above.

Indemnification Provisions

25. As part of the overall compensation payable to McKinsey RTS US under the terms of the Engagement Letter, the Debtors have agreed to certain indemnification and contribution provisions described in the Engagement Letter (the “Indemnification Provisions”). The Indemnification Provisions provide that the Debtors will indemnify, hold harmless, and defend McKinsey RTS US (including its past, present, and future affiliates) and each of their directors, officers, managers, shareholders, partners, members, employees, agents, representatives, advisors, and controlling persons (each, an “Indemnified Party,” and collectively, the “Indemnified Parties”) against liabilities arising out of (directly or indirectly) the Engagement Letter and/or McKinsey RTS US’s retention by the Debtors in these chapter 11

cases, except for any liabilities judicially determined by a court of competent jurisdiction to have resulted from the willful misconduct or gross negligence of any of McKinsey RTS US or the other Indemnified Parties in connection with McKinsey RTS US's services provided under the Engagement Letter. In addition, if indemnification or reimbursement obligations are held to be unavailable by any court (other than in circumstances where a court determines that liability is from the willful misconduct or gross negligence of the Indemnified Party), the Engagement Letter allocates contribution obligations based on the relative benefits and faults of McKinsey RTS US and the Debtors. The Engagement Letter further sets forth that McKinsey RTS US's aggregate liability shall be no more than the amount of its fees actually received under the Engagement Letter.

Disclosure Regarding McKinsey RTS'S Disinterestedness

26. In anticipation of its proposed retention, McKinsey RTS reviewed a list of potential parties in interest provided by the Debtors or their other professional advisors (the "Potential Parties in Interest")⁴ attached hereto as Schedule 1, and conducted a global database search of the Potential Parties in Interest.

27. In anticipation of its proposed retention, McKinsey RTS emailed:

- (a) members of McKinsey RTS to determine the existence of any client service provided by McKinsey RTS US or affiliates within the last two years to the Potential Parties in Interest,
- (b) members of McKinsey RTS and partners at affiliates that provide consulting services to determine the existence of client services provided by employees within the last two years to any client that focused on a direct commercial relationship or transaction with the Debtors and
- (c) all

⁴ The list of Potential Parties in Interest is dated as of June 10, 2017 (with the exception of the category of Significant Vendors, which is dated as of June 16, 2017).

members of McKinsey RTS to request information on any relationships with the Debtors, the United States Trustee and the Bankruptcy Court, as well as equity ownership in the Debtors. In addition, McKinsey RTS searched its global client database, which covers clients of all its consulting affiliates, to determine the existence of any client service provided by McKinsey RTS US or affiliates within the last two years to Potential Parties in Interest. Based on its findings from this database search, McKinsey RTS made inquiry to the partners at its affiliates worldwide that provide consulting services, who are responsible for those clients appearing on the list of Potential Parties in Interest, as to whether any services McKinsey RTS or its affiliates provided over the past two years or are currently providing to such Potential Parties in Interest focused or focuses on a direct commercial relationship or transaction with the Debtors.

28. Based upon responses to the above inquiries, McKinsey RTS included disclosures in this Declaration to the extent that (i) any member of McKinsey RTS currently provides consulting services, or in the past two years has provided consulting services, to any of the Potential Parties in Interest or (ii) any partner at its affiliates confirmed that consulting services have been provided by such affiliates, either currently or in the past two years, to Potential Parties in Interest on matters focused on a direct commercial relationship or transaction with the Debtors. In respect of (i) above, all consulting services provided by McKinsey RTS to Potential Parties in Interest are disclosed in paragraphs 31 through 57 below. In respect of (ii), and as set forth in paragraph 32 herein, one client service team of an affiliate of McKinsey RTS has provided in the past two years, or currently provides, services to Potential Parties in Interest on matters focused on a direct commercial relationship or transaction with the Debtors.

29. Based on the searches described above, to the best of my knowledge and information, after reasonable inquiry, except as set forth herein, McKinsey RTS (a) does not

have any connection with the Debtors or their affiliates, their creditors, or any other Potential Parties in Interest in these cases, other than as set forth herein, (b) is a “disinterested person,” as that term is defined in section 101(14) of the Bankruptcy Code, (c) does not hold or represent any interest adverse to the Debtors’ estates or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in the Debtors, (d) is not and has not been a creditor, an equity security holder, or an insider of the Debtors, except that McKinsey RTS has previously rendered services to the Debtors for which it has been compensated, and (e) is not and has not been, within two years before the Petition Date, a director, officer or employee of the Debtors.

30. Based upon the research described above, McKinsey RTS has ascertained that McKinsey RTS currently serves or in the past two years has served, either through McKinsey RTS or an affiliate thereof, the following Potential Parties in Interest, but unless indicated otherwise, on matters unrelated to the Debtors and their chapter 11 cases. More specifically, to the best of my knowledge and belief:

58. In addition, McKinsey RTS and its affiliates serve clients across a broad range of industries, functions, and geographies, and, within industries, serve competitors and do so in a manner that protects the confidentiality of each client's information (including the confidentiality of the engagement itself). Thus, certain affiliates of McKinsey RTS may have in the past provided services for, may presently be providing services for, and may in the future provide services for entities that are determined to be creditors, lenders, shareholders, insurers, customers, competitors, vendors, or contract counterparties in each case of the Debtors or otherwise Potential Parties in Interest; however, to the best of my current knowledge, such services are unrelated to the Debtors and these chapter 11 cases unless explicitly stated otherwise herein, and specifically do not focus on direct commercial relationships or transactions between such companies and the Debtors. If any work for other clients of affiliates of McKinsey RTS specifically focused on or affected the Debtors, it is explicitly stated in this Declaration. Further, if McKinsey RTS becomes aware of any work for other clients of affiliates of McKinsey RTS

that specifically focuses on or affects the Debtors after the date of this Declaration, it will update the Court in a supplement to this Declaration.

59. McKinsey RTS and its affiliates do, however, from time to time, provide overall strategic analysis and advice to companies that operate in the wholesale power generation sector in which the Debtors operate, which analysis and advice could include review and comment on publicly available information and strategic considerations with respect to the Debtors, as well as other companies. McKinsey RTS and affiliates' service to other companies in the industry in which the Debtors operate may focus on the macro landscape of the industry but should have no direct effect on the Debtors given the nature of the market. If any work for other clients of McKinsey RTS or its affiliates specifically focused on or affected the Debtors, it is explicitly stated in this Declaration. Further, if McKinsey RTS becomes aware of any work for other clients that specifically focuses on or affects the Debtors after the date of this Declaration, it will update the Court in a supplement to this Declaration.

60. As noted, McKinsey RTS and its affiliates have a long-standing policy of serving competing companies and do so in a manner that protects the confidentiality of each client's information. In fact, McKinsey RTS's expertise which the Debtors desire to utilize for the purposes described herein derives from McKinsey RTS's and its affiliates' broad-based service in many different aspects of the industry and business sector in which the Debtors operate.

61. McKinsey RTS completed the following steps in order to make the representations contained herein:

- a. McKinsey RTS made inquiry of all of its members, including consultants borrowed from affiliates for the purpose of serving the Debtors in these chapter 11 cases, as to whether they provided over the past two years or

are currently providing consulting services to any of the entities listed as Potential Parties in Interest.

- b. McKinsey RTS made inquiry to all partners at its affiliates worldwide that provide consulting services, about whether they provided over the past two years or are currently providing consulting services to entities that focus on a direct commercial relationship or transaction with the Debtors.
- c. McKinsey RTS made inquiry to the partners at its affiliates worldwide that provide consulting services, who are responsible for those clients appearing as Potential Parties in Interest, as to whether any services McKinsey RTS or its affiliates provided over the past two years or are currently providing to such Potential Parties in Interest focused or focuses on a direct commercial relationship or transaction with the Debtors.
- d. McKinsey RTS made inquiry of all employees at all of its affiliates worldwide, as to whether such member or a member of his/her immediate family is related to or employed by the Debtors, the United States Trustee and/or the Bankruptcy Court.
- e. Additionally, McKinsey RTS made inquiry of all employees at all of its affiliates worldwide, as to whether such member or a member of his/her immediate family owns equity securities of the Debtors.
- f. Finally, McKinsey RTS requested that partners of McKinsey RTS and its affiliates worldwide that provide consulting services immediately inform the office of the General Counsel, for the duration of McKinsey RTS's retention by the Debtors, if proposed support for any of their clients would focus on a direct commercial relationship with the Debtors.

Based upon responses to the above inquiries, McKinsey RTS included disclosures in this Declaration to the extent that (i) any member of McKinsey RTS currently provides consulting services, or in the past two years has provided consulting services, to any of the Potential Parties in Interest or (ii) any partner at its affiliates confirmed that consulting services have been provided by such affiliates, either currently or in the past two years, to Potential Parties in Interest on matters focused on a direct commercial relationship or transaction with the Debtors. In respect of (i) above, all consulting services provided by McKinsey RTS to Potential Parties in Interest are disclosed in paragraphs 31 through 57 herein. In respect of (ii) above, except as stated in paragraph 32, no other partner of the affiliates of McKinsey RTS has provided in the

past two years, or currently provides, services to Potential Parties in Interest on matters focused on a direct commercial relationship or transaction with the Debtors.

62. Based upon the responses to these inquiries, to the best of my knowledge and belief, no members of McKinsey RTS or its affiliates are or have immediate family members that are related to or employed by (A) the Debtors, (B) any judge or employee of the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) or (C) any employee of the office of the United States Trustee (the “U.S. Trustee”). In addition, to the best of my knowledge and belief, no members of McKinsey RTS or their family members hold equity securities of the Debtors.⁵

63. In addition, as part of its practice, McKinsey RTS and its affiliates provide support to clients on purchasing and supply management relating to direct and indirect materials and services, including in the wholesale power generation sector. Generally, the services consist of fact-based analysis to understand the client’s costs and who other potential vendors are, support in developing requests for proposal, and analysis of and advice relating to the responses from vendors. McKinsey RTS and its affiliates do not directly contact or negotiate with vendors for their clients, except that McKinsey RTS may negotiate as agreed with its clients in certain circumstances. While we do not believe that such support is adverse to the interests of the Debtors, out of an abundance of caution, McKinsey RTS will independently evaluate the request of any member of McKinsey RTS to provide purchasing and supply management support

⁵ In reviewing its records and the relationships of its professionals, McKinsey RTS did not seek information as to whether any member of McKinsey RTS or member of his/her immediate family: (a) indirectly owns, through a public mutual fund or through partnerships in which certain employees have invested but as to which such professionals have no control over or knowledge of investment decisions, securities of the Debtors; or (b) has engaged in any ordinary course consumer transaction with any party in interest. If any such relationship does exist, I do not believe it would impact McKinsey RTS’s disinterestedness or otherwise give rise to a finding that McKinsey RTS holds or represents an interest adverse to the Debtors’ estates.

relating to the wholesale power generation sector to any company for whom any of the Debtors are either an incumbent provider or a potential vendor, prior to confirming such support. Further, if McKinsey RTS becomes aware of any such work for other clients that specifically focused on or is adverse to the interests of the Debtors after the date of this Declaration, it will update the Court in a supplement to this Declaration.

64. To the best of my knowledge and belief, (i) Alpha Natural Resources, Inc. (ii) GenOn Energy, Inc. (an affiliate of NRG Energy, Inc.), (iii) JPMorgan Chase, and (iv) a confidential client, clients of McKinsey RTS US who are identified as Potential Parties in Interest, each account for more than one (1%) percent of McKinsey RTS US's gross annual revenue as of May 2017. In each case, McKinsey RTS's support to Alpha Natural Resources, Inc., JPMorgan Chase & Co., and confidential client is on matters unrelated to the Debtors and their chapter 11 cases.

65. McKinsey RTS has adopted procedures to identify any potential support by McKinsey RTS that focuses on a direct commercial relationship or transaction with the Debtors, so that McKinsey RTS may either make disclosure of such potential engagement to the Bankruptcy Court or take other appropriate steps. If and when retained, McKinsey RTS will again communicate to all partners in McKinsey RTS and its affiliates directing them to notify the office of McKinsey's General Counsel of any such proposed client engagements. In addition, McKinsey RTS will again communicate with all of its Members directing them to notify the office of McKinsey's General Counsel of proposed client engagements involving Potential Parties in Interest.

66. Finally, as part of its diverse practice, McKinsey RTS and its affiliates are involved in numerous matters and transactions involving many different professionals, including

many of the professionals named as Potential Parties in Interest in these chapter 11 cases. Further, McKinsey RTS and its affiliates may have in the past been represented by, may currently be represented by, and may in the future be represented by attorneys, law firms, or financial advisors who are involved in these proceedings, including law firms and financial advisors representing the Debtors. Specifically, McKinsey RTS and its affiliates have been represented, in the past two years, by the following professionals (or affiliates thereof) named as Potential Parties in Interest in other matters unrelated to the Debtors and these chapter 11 cases: Ropes & Gray LLP, K&L Gates LLP, and White & Case LLP. Further, McKinsey RTS and its affiliates may in the past have served, may currently serve, and may in the future serve professionals in these cases on matters unrelated to these chapter 11 cases. In addition, as noted above, McKinsey RTS and its affiliates in the past have worked with, or currently work with, many of the professionals named as Potential Parties in Interest, and likely will continue in the future to work with professionals involved in these cases, on matters unrelated to these chapter 11 cases. Lastly, McKinsey RTS and its affiliates may have in the past contracted with, may currently contract with, and may in the future contract with certain service providers listed as Potential Parties in Interest for necessary business services. McKinsey RTS does not have a specific agreement to refer or accept referrals from any professional in these chapter 11 cases. Further, McKinsey RTS does not receive a significant portion of its referrals from any professional retained in these chapter 11 cases. Based upon my current knowledge of the professionals involved, to the best of my knowledge, none of these business relations constitute interests materially adverse to the Debtors herein in matters upon which McKinsey RTS is to be employed, and none are in connection with these chapter 11 cases.

67. McKinsey RTS has not shared or agreed to share any of its compensation from the Debtors with any other person, other than as permitted by section 504 of the Bankruptcy Code.

68. Based upon the foregoing, I believe that McKinsey RTS does not hold an adverse interest to the Debtors' estates, and that McKinsey RTS is a "disinterested person," as that term is defined in section 101(14) of the Bankruptcy Code.

69. McKinsey RTS reserves the right to supplement this Declaration in the event it becomes aware of any relationship or other information that requires disclosure. McKinsey RTS understands it has the obligation pursuant to Bankruptcy Rule 2014 to further supplement its declarations in the event it becomes aware of any relationship or other information that requires disclosure.

[Remainder of page left intentionally blank]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
